

PATENT

IN THE SPECIFICATION

On page 9 after the first full paragraph, please add the following new paragraph:

Figure 4 further illustrates that the supply hopper 12 is the starting point for the feed of the material into the supply line/hose 11 and into the secondary tube 6. As is appreciated from Figure 4, the supply line/hose 11 is downstream from the supply hopper 12 and the secondary tube 6 is downstream from the supply line/hose 11 and the hopper 12. It is further appreciated that the material from the supply hopper 12 is gravitationally fed from the supply hopper 12 into the supply line/hose 11 and into the secondary tube 6.
